

CHURCH OF THE SAVIOUR

Dear Parishioners:-

If it were possible for us to make an "Every Member Canvas," then we could personally tell you some interesting things about West Chestnut Pontiac at 4415-17-19 Chestnut Street.

First of all, we would invite you to visit our building, knowing that you would find the best equipped Service Station in West Philadelphia, as well as a showroom that radiates warmth and enthusiasm in displaying the new 1937 Pontiacs. These fine cars are truly the toast of General Motors for 1937, and you will want to see them before you purchase any car.

Then too, this Organization has become a West Philadelphia Institution, serving its neighbors in many ways. At present, there is a collection of noted paintings by the well-known artist W. Emerson Baum The awards for the Boy Scout Swimming Championship have been sponsored by this Organization, as well as the Award for the Pop Warners Sandlot Football Championship.

So that, regardless of age, and regardless of automotive needs, whether new or used cars, or fine Service, we would like you to know that there is a sincere desire on our part to better serve West Philadelphia in a friendly and constructive manner.

We invite every member to visit us.

Cordially,

WEST CHESTNUT PONTIAC COMPANY

THE RECTOR'S LETTER

Dear People:-

This book is a Directory of the Parish. It has been painstakingly prepared and revised. We hope there are no errors, but if there are, please be patient and inform the Office of corrections. We wish our records kept as accurate as is humanly possible, but the constant shift of addresses and telephones, and the innumerable duties and demands that fall upon a busy Church like ours make perfection difficult.

I wish there were some way to make every person whose name is in this book feel his individual duty to the Church at large and to this Parish in particular—and to make him do it. The grandeur of our Sunday worship deserves the respect of regular attendance; the majesty of God lays a responsibility and offers a privilege that no man can lightly disregard. I beg you to envisage this Congregation with every name in its roll call "present early" every Lord's Day. Try to fulfill that vision.

The world needs our Lord Christ today quite as much as ever. The only hope of society is obedience to God's will and good-will toward men. They are the constant message of The Church. May this Church be the power-house where a spiritual current is generated, a broadcasting station whence goes out the good-tidings of peace.

Affectionately

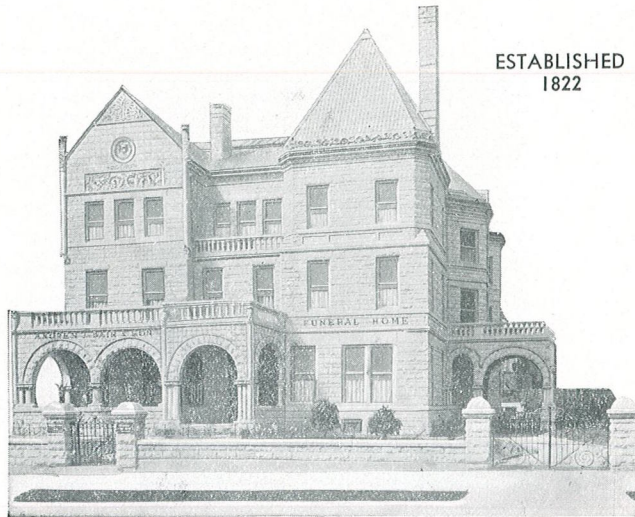

Advent, 1936.

THE RECTOR.

For Insurances on Lives and Granting Annuities

15th and Chestnut Streets

PHILADELPHIA, PA.

Chartered on March 10, 1812, more than 125 years ago, the title of this Company has never been changed.

Early in 1836 a supplement to the original charter was granted by the Commonwealth of Pennsylvania permitting the Company to engage in the banking business and to extend its activities to the management of trusts and estates. In 1872 the original purpose for which the Company was founded—that of insurances on lives and granting annuities—was discontinued. Since then the Company has operated exclusively as a trust company, carrying on a general banking, trust and safe deposit business.

THE RECTOR'S LETTER

This Directory goes to you with some trepidation on my part. People change their residence so rapidly and numerous, and type has a diabolical habit of becoming mixed, and the human element is only too fallible in keeping and transcribing, that errors are almost certain to occur. So if your name is spelled incorrectly or your address or telephone wrong or even a name omitted, please laugh it off and telephone the office immediately to get it corrected in our Parish files.

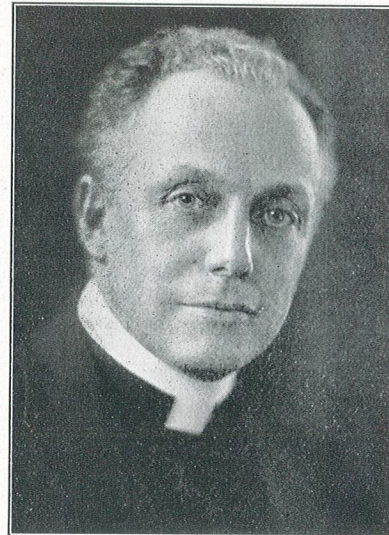

The past year has been eventful for us. On November 21st, the thirty-first anniversary of the consecration of this Church and the year of the sixty-sixth anniversary of the consecration of the first stone Church, we burned a mortgage on the Rectory amounting to eleven thousand dollars and celebrated the freedom of our Church from ten thousand dollars floating debt. So far as old bills are concerned we are free. This has been done in two years. In 1936 the Benefactors' Fund was started through the initiative of Mr. William Rommel, and brought in nearly five thousand five hundred dollars, which was immediately applied to wipe out old accounts. The Barrel Fund brought in nearly two thousand dollars and that reduced a bank note. Late in the same year the Anniversary Fund was begun, and thanks to over two hundred subscribers and a very generous check from Mr. C. M. Kline, the mortgage on the Rectory was satisfied and all other accumulated indebtedness liquidated. Praise be! That was a glorious Service we held on November 21st, when the mortgage was burned and we repeated the Service of Consecration held by Dr. Bodine thirty-one years ago, except that we did not consecrate the Church but we reconsecrated ourselves.

We have another cause for rejoicing. At present writing, it looks as though we shall balance our Budget for 1937; that is, that we shall have income this year to pay all of the bills of this year. That will depend upon all people who made pledges for 1937 honoring their pledges

at once. The vast majority have done so, but there are still some on which little or none has been paid to date. Will those good people please take this to heart and send their check to the Accounting Warden at their earliest convenience, or fill their untouched envelopes and place them on the offering plate Sunday without delay? The Campaign for 1938 pledges is under way now, and I wish that every member of the Congregation who can would make his pledge to give what he can afford. Part of our ambition now is to balance our Budget each year.

But that is not all of your Rector's ambition. Besides that, he is fired with eagerness for more vigorous life in the Parish. He wants to see new people and to improve everything. He is intently looking for a deeper and more effectual spiritual life in the Congregation and social service rendered on the part of the people. I wish every member had at least one definite piece of charitable work to follow, such as visiting hospitals, bringing infirm people to Church, being on boards of institutions, helping poor families. Besides, every person in this Parish should be a regular member of at least one Organization in the Church, Brotherhood of St. Andrew or Men's Fellowship, the Woman's Guild or Woman's Auxiliary or Rector's Committee or any of our societies. This Parish must make an ever stronger impress upon the community. Every member should be on the outlook for children to be baptized, persons to be confirmed, new families to attend Church. Put fire into your Christianity and generate more power for Christ's sake and the world's. Pure religion and undefiled we need, and more and more of it, expressing itself in good works and wrapt public worship and private communion with God. Go forward, Churchmen of The Saviour. Be not wearied in well-doing. Follow the Master's footsteps, Who went about doing good and being good. Onward! Upward! Grow in grace and in the knowledge of our Lord and Saviour Jesus Christ.

Yours for new life in the Church of The Saviour,
Advent, 1937. THE RECTOR.

Besides the above, all indebtedness of the Parish was
paid, repairs to the Memorial Windows made and contribu-
tions to relief given through other sources than the Account-
ing Warden's report. At the beginning of 1936 the Parish
owed \$11,000 in a mortgage on the Rectory and \$10,000 in
funded and floating indebtedness. All this has been liquidat-
ed, and we "owe no man anything but to love one another."
